PROPERTY LOCATION

Located at 7885 NW 78th Ave, Medley, FL 33166, this high-visibility corner unit offers a premier industrial presence in the heart of Medley. With direct Palmetto Expressway frontage, a user benefits from unparalleled brand exposure and rapid access to South Florida's major transportation arteries. This versatile facility is ideal for a wide range of operations, including distribution, light manufacturing, and showroom/wholesale uses. Whether a user is looking for a temporary expansion or a strategic satellite location, this space is perfectly positioned to accommodate short-term and long term requirements.
